

Lowe's Reports Second Quarter Sales and Earnings Results

August 15, 2011

-- Announces Closing of Seven Underperforming Stores --

MOORESVILLE, N.C., Aug 15, 2011 (BUSINESS WIRE) --

Lowe's Companies, Inc. (NYSE: LOW), the world's second largest home improvement retailer, today reported net earnings of \$830 million for the quarter ended July 29, 2011, essentially flat from the same period a year ago. Diluted earnings per share increased 10.3 percent to \$0.64 from \$0.58 in the second quarter of 2010. For the six months ended July 29, 2011, net earnings decreased 2.2 percent from the same period a year ago to \$1.29 billion while diluted earnings per share increased 6.5 percent to \$0.98.

Included in the above reported results, the company recognized a charge related to an evaluation of the carrying value of long-lived assets, including seven stores that closed on August 14, which reduced pre-tax earnings for the quarter by \$83 million and diluted earnings per share by four cents (\$0.04).

Sales for the quarter increased 1.3 percent to \$14.5 billion, up from \$14.4 billion in the second quarter of 2010. For the six months ended July 29, 2011, sales were \$26.7 billion, essentially flat from the same period a year ago. Comparable store sales for the second quarter decreased 0.3 percent and for the first half of 2011 decreased 1.7 percent.

"Despite some recovery in our seasonal business, our performance for the quarter fell short of our expectations," commented Robert A. Niblock, Lowe's chairman, president and CEO. "We are working diligently to improve sales and profitability in the near-term in a way that we believe will generate sustained customer preference and shareholder value. We are also building momentum in 2011 behind our longer-term commitment to deliver even better customer experiences.

"I would like to thank our hard working employees for their ongoing dedication and customer focus. I am also pleased to announce that our Sanford, N.C. store, which was destroyed by a tornado on April 16, will reopen to continue serving the Sanford community on September 8," Niblock added.

During the quarter, Lowe's opened two stores. As of July 29, 2011, Lowe's operated 1,753 stores in the United States, Canada and Mexico representing 197.6 million square feet of retail selling space, a 1.5 percent increase over last year.

A conference call to discuss second quarter 2011 operating results is scheduled for today (Monday, August 15) at 9:00 am ET. The conference call will be available through a webcast and can be accessed by visiting Lowe's website at www.Lowes.com/investor and clicking on Lowe's Second Quarter 2011 Earnings Conference Call Webcast.
